Summer is over and fall is here, and its time to start planning our winter travel ideas. Can you believe that summer is over already? What a busy Summer it has been.

Our summer was filled with Nude Hikes, Nude Swimming, Nude Boating, Nude Four Wheeling, Nude Camping, and so much more!

One of the great things about Montana in Summer is the long days filled with warm weather and plenty of sunshine. You are able to fit into the day all the things you want to do. Sure, your tired and beat by the end of the day. But its so worth it. ☺

Many people don't think of Montana as a spot for Nude Recreation. However, they then overlook one of our countries greatest treasures. Our state has so much to offer the Outdoor Nude Recreation Enthusiast. The mountains provide a breath taking backdrop to enjoy Nude Recreation.

Gay/Straight Group Cruise

Gay Group Cruises is a business with the simple philosophy that it's more fun to travel on a cruise ship with lots of other gay men -- just not necessarily on a cruise ship with nothing BUT gay men. We organize group cruises on ships and itineraries on which YOU want to travel, and we provide exclusive private social functions, mixers, lectures, and so forth to which only group members have access. We are in the business of creating group cruises on the nicest, most luxurious mainstream ships (Princess, RCI, Celebrity, Cunard, NCL, etc.) for groups of between 10 and 200 gay men. The cruises we select are based on your input, and include some of the best itineraries in the world-- the Mediterranean, the Caribbean, Bermuda, Alaska, Italy, Greece, Croatia, Scandanavia, and more! My phone numbers are 617-875-4659 and 800-734-1593. My website is www.edwardjuel.cruiseshipcenters.com and my work email is ejuel@cruiseshipcenters.com

Thank You!!

Group Cruise? What do you Think of the Idea?

We were contacted by our friend Edward "Ed" Juel, and he spoke with us about getting together a group of naturists/nudists to do a group cruise through his company Gay Group Cruises.

We would love to see who else is interested? He can put together a cruise package for us. It can be a gay cruise, nudist cruise, straight cruise, mixed cruise. Ed has many different packages and ideas that he can put together for us.

We would love to see who is interested before moving forward. I think it would be great to get together a group of nudists/naturists to go on a cruise together. It is a great way to break up the winter blues, and get to meet others who enjoy our lifestyle! We are open to your ideas! Drop me a line at vistasofmontana@gmail.com Would love to see whose interested and hear your ideas!! Thanks! Sava and Dave☺

September 2010 (Continued)

Here is just a short list of some of these Montana treasures:

Yellowstone National Park, Glacier International Peace Park, Bob Marshall Wilderness.

In our local area, you can see: Missouri River, Holter Lake, Gates of the Mountains (made famous by Lewis and Clark), The Continental Divide, Rocky Mountains, Unbelievable Wildlife, Montana's Big Sky (must be seen to be believed), and much more.

It's an unbelievable paradise for Nude Recreation. We have those wonderful long summer days with plenty of sunshine and warmth. Beautiful night skies filled with millions of stars, that look like you can reach out and touch them.

We regularly get 80-100 degree weather in the summer with little rain. Who can ask for more? Give Montana some thought when planning your next vacation for Nude Recreation. You will be glad you did!

Boulder Hot Springs Soak

Today the idea was brought to my attention that some of you may want to get together for a soak down at Boulder Hot Springs. I think this a great idea.

Some would like to stay over night, and some would just like to come and soak for the day.

I will be talking to Kerry down at Boulder to see if we can get a group rate. Again, please let me know if your interested in this type of event. It will help us plan better.

I will be checking on room rates and see if we can get a group discount. Also I will be checking to see if we can reserve the hot pool for a mixed group soak. I will send out a group email with the answers.

Let me know if you would like to join us and drop me a line at vistasofmontana@gmail.com

If you have any ideas for a group outing or event? Please drop me a line and let me know. So far, our group numbers on the outings have been small, but we have had a great time. I hope you will all come and join us!! ☺

Happy Labor Day Weekend

This month is starting off pretty great.

We relaxed and enjoyed the beauty surrounding Holter Lake. We had a friend who is also into Nude Recreation come up and stay for the evening. Then we had a couple other group members come up for a hike out in the Bear Tooth Game Range. It was a little chilly and only one of us dared to brave the elements and go nude.

It was a lot of fun, even for a short afternoon adventure. One of the group took a tumble into the creek along with his dog. Scared the heck out of us. After checking that he was alright, we had a good laugh.

The game range has changed dramatically since the fire went through last year. The trail we took down in Willow Creek no longer looks the same, and I wish that everyone was able to see it when it was green and beautiful.

September is supposed to be cooler than normal, but I still hope your all able to get out and enjoy the sunny days.

Keeping It Bare,

Sava and Dave
